Snider Therapy Centers of B'Ham is putting on a free presentation in **Dothan, Thursday, Sept 30th** , beginning **registration at 6:30PM**. The course will last from **7PM to 9PM** and the **AL OT Board has pre-approved 2.2 CEU's**, per Snider Therapy (you can call the Board to double-check if you are interested). The speech board may also accept these units--you'll need to research this if you are interested. There is **NO COST** for the course which centers on a "Sensory Learning Program" that Snider Therapy has designed and is advertising. **Call 1-800-921-1388 to register**. One of Snider's employees dropped by last week to give me the brochure. Essentially it sounds like this is a program/seminar for therapists and parents of special-needs kids to inform them of a cash-based, 30-day program that Snider Therapy has developed. The important thing for you--FREE CEU's in Dothan.

I have been notified that **Special Citizens Day at the Peanut Festival** is **November 3rd, on a Wednesday, from 8AM to 1PM**. Please ask your schools/kids if they are going and schedule around them. Several schools choose not to go--switch your work days and make sure you're at a school that Wed with kids that are at school too! Some years we've shown up at the school only to find that most all of our kids were gone to the fair. Be aware of your schedule in EI as well--many parents will go to the fair that morning--and their kids will be exhausted that afternoon!

If you would like to go to the Peanut Festival as a guest that day, please let me know, or ask a teacher/case manager to get you on the list. You may use your PTO for the hours you spend there, but you may not bill STS or any agency for your time. If you would like to go, you will need to submit your request for time off to our office.

TIME TO CLEAN OUT YOUR CLOSETS AND CUPBOARDS!

As part of our recruiting plan, STS is furnishing an apartment for incoming interns or possible travelers or new employees. We are in need of furniture as well as home goods (plates, towels, sheets, books, magazines, telephones, clocks, pots, pans, pictures, etc.) As far as furniture, we already have the beds and couches, but still need a small kitchen table and chairs, end tables, lamps, a work island for the kitchen, a desk and chair, and two dressers, as well as a storage shelf in the bathroom. Please bring stuff you're willing to pass on to the clinic, or we can arrange to pick it up.

Secondly, Kristin is holding a rummage sale to raise money for the Humane Society the first weekend in November. Please donate your junk to the cause! Any items left over after the yard sale will be donated to the Humane Society's thrift store in Ozark. Nothing will go to waste!
